#### **NATURE OF THE ACTION**

Plaintiff brings this action under Fifth Amendment Due Process right to Property, Adverse Claim Pursuant to ORC1308.01 Definitions - UCC 8-102. (A) In this chapter: (1) "Adverse claim" means a claim that a claimant has a property interest in a financial asset and that it is a violation of the rights of the claimant for another person to hold, transfer, or deal with the financial asset. ... and all above violations and grounds herein.

#### **BACK GROUND BRIEF HISTORY**

On April 5, 1933, the physical possession and legal title to lawful money (gold) was taken from the people. But the people had to retain the equitable title to this lawful money or else it would have amounted to theft, and Congressman Louis Thomas McFadden's charges of theft and

treason on May 23, 1933 lodged with the Judiciary would have required prosecution. These charges were mitigated by the passing of HJR 192 on June 5, 1933 which provided for the possibility of “discharge upon payment” of all obligations. This remedy was subtly effected by two United States Codes: 1) 12 USC 411 which provides access to this lawful money “upon demand”, and 2) 12 USC 95a(2) which assures “full discharge” of all obligations upon assignment or transfer of payments to the United States. Later, the State provided people a Certificate of Live Birth (COLB) as evidence of the people’s equitable title to their labor taken by the State at birth (to mitigate similar charges of theft and involuntary servitude). This COLB creates a PERSON identified by the NAME of a born-alive INFANT that is presumed abandoned by the mother/informant at a birth event and, after seven years of non-appearance/activity, is also presumed dead, enabling the State to become the Executor of the INFANT’s “estate” in probate. However, this presumption of death always has the possibility of being rebutted by a subsequent “appearance” of the INFANT as being “alive”. Therefore, this equitable title exists in the form of a “reversionary interest” in this INFANT’s property/labor “estate”. Once Proof of Life\* for INFANT is established, said “reversionary interest” in the decedent’s estate re-vests in the INFANT as the “living beneficiary” of same. Said INFANT must thereafter, in order to honorably perform the terms of the 1933 constructive trust to discharge obligations incurred by said INFANT, assign or transfer (partially or wholly) said “reversionary interest”, in the form of lawful money demanded (12 USC 411), to the United States who, in turn, as trustee thereof, must then apply said lawful money interest payment as full discharge of the obligation to the extent thereof by operation of law (12 USC 95a(2)). An indorsed bill is an instrument that performs said assignment or transfer by said INFANT. Notice that the amount on the original presentment is a positive number – representing the CREDIT of the NATION extended by the people in the form

of labor expended to produce all of the products and services in the nation. The INFANT holds the equitable title to this CREDIT, and is liable to release this credit to the United States as payment. The presentment just needs the INFANT's authorization/instruction added to it to properly transfer this equitable title to the United States. Then both the legal and equitable titles of both the credit and the obligation amounts are now vested in that one piece of paper, and when that signed instrument is returned to the party that sent it, then that party is now the Holder in due course of the legal and equitable titles to both the asset and liability amounts for that account and must then present that Lawful Money Full Discharge Instrument to the United States as payment, or else, by refusal to present payment to the United States (minor) or to provide in return evidence of dishonor of same by the United States (minor) for acceptance for honor supra protest, the debt is discharged by operation of law (UCC 3-603, as enacted in State general statutes and codes) for the INFANT, and the person now holding that instrument becomes liable for that payment as the Holder in Due Course thereof.

The Internal Revenue Manual (I.R.M.) 21.7.13.3.2.2, "An infant is the decedent of an estate or grantor, owner or trustor of a trust, guardianship, receivership or custodianship that has yet to receive an SSN." An infant is anyone under the age of 21.

Most truth seekers know that Republic of the United States was by fraud turned into a corporation in 1871, and the U.S. Service Corporation is ultimately owned or controlled by the Vatican. This is what gives the Pope or the Vatican the authority in his CIVIL ORDERS. The CIVIL ORDERS is written verbatim as written in the Pope's CIVIL ORDERS document.

MOTU PROPRIO- CIVIL ORDERS – Pope Francis Sends Obama Powerful Letter via Attorney [on] July 4th 2014. The Pope asserted in his civil orders document: “Insomuch as corporate officers operating the United States of America, Incorporated, and the UNITED STATES have contrived under conditions of fraud and semantic deceit to revenue the estates of the American States and living American State Citizens to the foreign jurisdiction of the United States of America (minor) they are found guilty of capital crimes, including acts of fraud and treason committed between 1933 and 1945, and are condemned posthumously. Insomuch as elected officials operating the United States of America (minor) have similarly committed war crimes against the American States and their peaceful inhabitants during the same time period, they stand condemned posthumously.”

“All those **(E)states** and **ESTATES** erroneously believed to represent the American States and American State Citizens and which were conveyed by fraud and legal deceit to the United States of America (minor) and more recently to the City-State of the United Nations, are re-venued without exception to the geographically defined American States and the American State Citizens where they shall remain in perpetuity as assets belonging to the rightful and lawful beneficiaries.”

“All legal fiction entities however structured and named after the American States and American State Citizens are returned to them and their control, free and clear of any debt, promise, encumbrance or obligation alleged against them as a result of false claims made –in their behalf|| by officers of the United States of America, Inc. and the UNITED STATES, INC. or by any foreign officials operating the United States of America (minor), or the United Nations City State falsely claiming to –represent|| them or have jurisdiction over them.” See full copy

Civil Orders attached backed by my affidavit by my consent under penalty of perjury that the document is a copy verbatim written by or for the Pope.”

On or about April 14, 2017 Kevin Gunnell El filed and opened a case with this tribunal, putting this governmental service corporation for the United States America (minor) on judicial notice of his nationality of his Moorish American Nationality, in accordance with 8 U.S. Code § 1481. Loss of nationality by native- born or naturalized citizen; voluntary action; burden of proof; presumptions (a) (1) obtaining naturalization in a foreign state upon his own application or upon an application filed by a duly authorized agent, after having attained the age of eighteen years; or (2) taking an oath or making an affirmation or other formal declaration of allegiance to a foreign state or a political subdivision thereof, after having attained the age of eighteen years.

The Pope’s civil orders expose the fraud of the governmental service corporation, the Pope’s assertions in his civil orders of American State and the American State Citizens (major) is a representation to the Moorish American Nationals as myself, but Most truth seekers know that the Republic, the United States of America Republic is governed by we the people the sovereign aboriginal moors mislabeled and reclassified as African Americans an foolishly call themselves black, but aboriginal moors have value as heirs to the land to be summarily claimed as chattel backing- US government debt not African American as asserted in the Pope’s civil orders.

However, it’s a crime to personate to be a U.S. Citizen according to the corporation by laws pursuant to 18 U.S. Code 911., and 46 U.S. Code § 50501. Entities deemed citizens of the United States; therefore, it’s impossible for a real natural man or women to be a U.S. Citizen when it’s a crime to personate to be a U.S. Citizen pursuant to 18 U.S. Code 911 and corporations is deemed citizens of the United States pursuant to 46 U.S. Code § 50501., this is only a scratch of the

surface of the fraud and deceit the Pope was addressing in his civil orders. Even though Georgia Commons aka Code of Georgia where it clearly says that Moors are Aboriginal and immune from criminal prosecution for lack of jurisdiction title IV Criminal Law Persons of Color, and County Regulations (Pages 695-957) (24.5 MB) ON PAGE 833. The Corporate Probate, foreign officials was put on notice of adverse of claim, see documents attached, the Plaintiff Kevin Gunnell El repeatedly filed contracts and documents with probate foreign officials and for proclaiming his nationality, he also attempted to have the probate officials issue a decree of his name change or correction, the name change is the appellation as demonstrated in the documents filed with all levels of the governmental service corporation (minor). Plaintiff knew that Probate officials could only administer the name change of the Estate- Birth Certificate.

With or without a decree issued by Probate foreign officials, but under the common law the people and officials for the governmental service corporation was put on notice of his name change for his appellation of his Moorish American Nationality, the title of nobility El for Gunnell El.

Secure Transaction, UCC 1, and Contracts and Power of Attorney/Attorney-in-Fact was filed and registered with the Ohio Secretary of State UCC business section filed and registered

with the county recorder giving Plaintiff Kevin Gunnell El first lien holder over the KEVIN BRIAN GUNNELL ESTATE assigned SSN. See affidavit and documents attached.

Plaintiff Kevin Gunnell El was appointed Executor of his (E)state/ ESTATE, KEVIN BRIAN GUNNELL ESTATE and the Estate was assigned a EIN that he Plaintiff Kevin Gunnell El initiated thru the IRS Department of The Treasury-International Monetary Fund, the KEVIN BRIAN GUNNELL ESTATE with the SSN was conveyed, pursuant to The Internal Revenue Manual (I.R.M.) 21.7.13.3.2.2, "An infant is the decedent of an estate or grantor, owner or trustor of a trust, guardianship, receivership or custodianship that has yet to receive an SSN." The Estate and Social Security Number was assumed transfer over to Kevin Gunnell El foreign American State and American State Citizen (major) the foreign Estate, it was Kevin Gunnell El's Notice of Adverse claim ORC 1308.19 UCC 8-105. - (a) All debts and claims presented to the estate have been paid in full or settled finally.

According to the Pope's Civil Orders that assert:

"All legal fiction entities however structured and named after the American States and American State Citizens are returned to them and their control, free and clear of any debt, promise, encumbrance or obligation alleged against them as a result of false claims made –in their behalf|| by officers of the United States of America, Inc. and the UNITED STATES, INC. or by any foreign officials operating the United States of America (minor), or the United Nations City State falsely claiming to –represent|| them or have jurisdiction over them.

This assertion by the Pope in his Civil Orders voids the part in ORC 2109.301 Administrator or executor rendering account. Because he the Pope asserted that "All legal fiction entities however structured and named after the American States and American State Citizens are returned to them and their control, free and clear of any debt, promise, encumbrance or obligation alleged against them as a result of false claims made –in their behalf|| by officers of the United States of America, Inc. and the UNITED STATES, INC. or by any foreign officials operating the United States of America (minor) etc. that means all Plaintiff Kevin Gunnell El would need to do, is to file the Certificate of Termination without no delay, the Probate administering over the KEVIN BRIAN GUNNELL ESTATE assigned the SSN shall close the estate free and clear of any debt. Even though the Secure Transaction UCC1 financial Statement a legal form that a creditor files to give notice that it has or may have an interest in the personal property of a debtor and the attached contracts demonstrated to Probate officials an adverse

claim, no one was owed and that Plaintiff Kevin Gunnell El was the Power of Attorney/Attorney-in-Fact over the debtor.

**FRAUD AND DECIET COMMITTED BY ROBERT G. MONTGOMERY  
AS ASSERTED AND CONFIRMED BY THE POPE'S CIVIL ORDERS**

Plaintiff Kevin Gunnell El filed numerous of documents and affidavits demonstrating his Nationality by adding the appellation El to his last name Gunnell, the El is parts of his name to make up his appellation of him being a Moorish American National, aboriginal Moorish American, see judicial notice and proclamation filed with the clerk of this court.

Robert G. Montgomery violates Plaintiff Kevin Gunnell El right to claim his nationality as he Mr. Montgomery is or was on full notice of Plaintiff Kevin Gunnell El appellation and Moorish Nationality but he ignore and refuse to recognize his Kevin Gunnell El Moorish nationality.

Plaintiff Kevin Gunnell El has a right to a Nationality and a right to change his name to associate with his nationality even though thru birth right thief and fraud plaintiff was born an aboriginal Moorish American National.

Robert G. Montgomery committed fraud when he stated in his July 12, 2019 Judgment Entry Dismissing Case For Lack of Jurisdiction that me Kevin Gunnell El and the Estate KEVIN BRIAN GUNNELL/ Kevin Brian Gunnell is one and the same entity. Again this is the Fraud and deceit the Pope asserted about in his civil orders.

Pursuant to ORC 2109.301 (B)(2) **In estates of decedents in which the sole legatee, devisee, or heir is "also" the administrator or executor of the estate,** no partial accountings are required.

The administrator or executor of an estate of that type shall file a final account or final and distributive account or, in lieu of filing a final account, the administrator or executor may file

with the court within thirty days after completing the administration of the estate a certificate of termination of an estate that states all of the following: etc... the bold and underline part above is about the infant the decedent of an estate, when the real natural man or women reach the Age of Majority ORC 3109.01, he is assumed to be the infant the minor who was classed as dead until a rebuttal showing oneself is alive not abandoned, lost at sea or dead. The infant the decedent is nothing more than the legal fiction entity. Plaintiff Kevin Gunnell El is the sole legatee, devisee or heir is also the executor of the KEVIN BRIAN GUNNELL ESTATE assigned the SSN

The KEVIN BRIAN GUNNELL ESTATE assigned the SSN when it is an infant and a minor having been convey over to the KEVIN BRIAN GUNNELL ESTATE assigned the EIN. See IRS document showing my appointment of me Palintiff Kevin Gunnell El being the Executor over the KEVIN BRIAN GUNNELL ESTATE assigned the EIN.

Therefore, Plaintiff Kevin Gunnell El, full life having reached the age of majority, no longer need for the governmental service corporation, Probate for the United States of America (minor) to administer his (E)state and ESTATE, the Pope makes it clear in his Civil Orders as stated herein and the attached copy of the Civil Orders.

Plaintiff Kevin Gunnell El several times tried by attempting to file the certificate of termination with Probate but all Probate employee officials (magistrates) including Robert G Montgomery refuse to file and comply with the ORC 2109.301 (B)(2), certificate of termination with probate.

Robert G. Montgomery is in the business of human trafficking he want to keep my Plaintiff Kevin Gunnell El Estate open with Probate so that Probate and the State of Ohio (minor) can administrate over my Estate and profit \$ off my Estate, so that they can bring false claims against

KEVIN BRIAN GUNNELL ESTATE violating the Supreme Court Annotated Statute, Clearfield Trust Co. v. United States 318 U.S. 363371 1942.

Whereas defined pursuant to Supreme Court Annotated Statute: Clearfield Trust Co. v. United States 318 U.S. 363-371 1942:

"Governments descend to the level of a mere private corporation, and take on the characteristics of a mere private citizen . . . where private corporate commercial paper [Federal Reserve Notes] and securities [checks] is concerned . . . For purposes of suit, such corporations and individuals are regarded as entities entirely separate from government."

What the Clearfield Doctrine is saying is that when private commercial paper is used by corporate government, then government loses its sovereignty status and becomes no different than a mere private corporation.

As such, government then becomes bound by the rules and laws that govern private corporations which means that if they intend to compel an individual to some specific performance based upon its corporate statutes or corporation rules, then the government, like any private corporation, must be the holder-in-due-course of a contract or other commercial agreement between it and the one upon who demands for specific performance are made.

And further, the government must be willing to enter the contract or commercial agreement into evidence before trying to get the court to enforce its demands, called statutes.

This case is very important because it is a 1942 case that was decided after the UNITED STATES CORPORATION COMPANY filed its "CERTIFICATE OF INCORPORATION" in the State of Florida (July 15, 1925). And it was decided AFTER the 'corporate government' agreed to use the currency of the private corporation, the FEDERAL RESERVE. The private currency, the Federal Reserve Note, is still in use today.

The KEVIN BRIAN GUNNELL ESTATE assigned the SSN is a Bank Note, Probate and State of Ohio under the United States of American, Inc. and the UNITED STATES, INC or by any foreign officials operating the United States of American (minor) assume they are the holder-in-due course of a contract, the Estate or other commercial agreement, the Estate between it and the one upon who demands for specific performance are made, the foreign officials will willfully ignore Plaintiff Kevin Gunnell El Secure Transaction UCC 1 and Contracts and Power of Attorney/Attorney-in-Fact commercial agreement giving Kevin Gunnell El superior control over the KEVIN BRIAN GUNNELL ESTATE assigned the SSN, the foreign officials will demand for specific performance through the Estate and force Kevin Gunnell El to be the accommodating party in order to benefit revenue through the KEVIN BRIAN GUNNELL ESTATE, Bank Note that's assigned the Social Security Number (SSN).

Therefore, if the Probate Officials file the certificate of termination pursuant to ORC 2109.301 (B)(2) the KEVIN BRIAN GUNNELL ESTATE, Bank Note assigned the SSN the Contract becomes void with the United States of America, Inc. and the UNITED STATES, INC (minor) they longer have control over Kevin Gunnell El property and so called personal jurisdiction to force their codes and statutes on me Kevin Gunnell El through the Settlement Certificate.

Robert G. Montgomery committed fraud when claimed he lack jurisdiction, the Pope Civil Orders stated it best:

“All legal fiction entities however structured and named after the American States and American State Citizens are returned to them and their control, free and clear of any debt, promise, encumbrance or obligation alleged against them as a result of false claims made –in their behalf|| by officers of the United States of America, Inc. and the UNITED STATES, INC. or

by any foreign officials operating the United States of America (minor), or the United Nations City State falsely claiming to –represent|| them or have jurisdiction over them. “

“We note that the current circumstance is in part the result of criminal acts engaged in 150 years ago, which resulted in the commercial enslavement of African Americans who were summarily claimed as chattels backing –US government|| debt in the wake of the Civil War.Despite every act of abolition and declaration of prohibition against both peonage and slavery, it has been the policy of the –US government|| to enslave its citizens and to operate as a rogue state among the nations of the world. Instead of freeing African Americans the sum total result of the Civil War was to vastly expand public sector ownership of slaves, giving rise to the outrageous and improper claims that have been made against the American States and the American State Citizens that we are dealing with today. It is uniquely fitting that The Grand Army of the Republic is recalled to settle this circumstance in favor of the people.”

An Estate is known as a birth certificate: A Settlement Certificate, also known as a “Birth Certificate” since 1837, is an official document issued to validly recorded poor (paupers) granting them certain basic rights and entitlement to benefits in exchange for recognition of their status as being owned as “property” and lawful slaves, also known as indentured servants and bondsmen. A “settlement” therefore is equivalent to a voluntary slave plantation.

Robert G. Montgomery judgment entry is an ORC 2921.52 Using sham legal process.

(4) "Sham legal process" means an instrument that meets all of the following conditions:

(a) It is not lawfully issued. (b) It purports to do any of the following: (i) To be a summons, subpoena, judgment, or order of a court, a law enforcement officer, or a legislative, executive, or administrative body. Etc...

### **CONCLUSION FOR RELIEF**

Plaintiff Kevin Gunnell El the injured party seeks preliminary/ permanent declaratory injunction relief to enforce the Probate officials to comply with ORC 2109.301 (B) (2) Certificate of Termination, because Plaintiff have an adverse claim to the property and Pope Francis of the Vatican who controls the United State corporation (minor) gave specific orders in his civil orders to the service corporation employees and agents all domestic and foreign officials and successors to return the (E)states ESTATES to the rightful owners debt free.

## **MOTU PROPRIO CIVIL ORDERS – Pope Francis Sends Obama Powerful Letter via Attorney [on] July 4th 2014. Valid to all successor(s)**

Issued to All Members of the Domestic Police Forces, US Marshals Service, the Provost Marshal, Members of the American Bar Association and the American Armed Services.

These organic American states of the Union known as The United States of America (major) exercising plenary civil power upon the land hereby appoint General Carter F. Ham to lead and command The Grand Army of the Republic (GAR) and its successors under the guidance of the Joint Chiefs of Staff and with their full support.

Should it become necessary to suppress commercial mercenary forces operating under the guise of being federal government agencies including but not limited to the Department of Homeland Security, the Federal Emergency Management Administration, the Internal Revenue Service, the Bureau of Alcohol, Tobacco and Firearms, etc., General Ham shall assume immediate command and control of all armed forces and services owed to The United States of America (major) stationed in North America and shall join them under his

Command as The Grand Army of the Republic. All forces of air, land, and sea are to be employed. Any cost or loss suffered as a result of deployment of The Grand Army of the Republic shall be charged as stipulated prior.

All effort shall be made by The Grand Army of the Republic to spare life and property while undertaking any action whatsoever within the states of the Union without exception. The GAR is uniquely enabled by these Orders to operate on the land of the fifty (50) organic states for the purposes of securing the lives and property of the American States and American State Citizens. The GAR is not a foreign army and is composed primarily of American State Citizens.

If required to take field position, the local commanders shall make every effort to communicate the basis of their authority and the reasons for their presence on American State soil to ensure a prompt cessation of hostilities and a widespread understanding of the usurpations and acts of fraud which have led to any conflict. All parties must be brought to understand the nature of the federal government, the limitations of its authority, and their own obligation to act in favor of the organic states of the Union. The Grand Army of the Republic shall continue to operate under General Order 100 known as the Lieber Code, extant from the pen of the last Republic President, Abraham Lincoln.

No orders, Executive or otherwise, issued by Barack H. Obama pretending authority on the land of the American States while operating as —Presidentl of the UNITED STATES Corporation nor as the

—Presidentl of the United States of America (minor) are owed any performance by the Joint Chiefs of Staff, General Ham, or any Ordinary. All plainly stated grants of contractual authority evident in The Constitution for the united States of America remain in place, subject to good faith performance of the accompanying obligations and treaties.

Mr. Obama is the —Presidentl of a governmental services corporation under contract to provide stipulated services to the organic states and is on their payroll. He otherwise acts as a foreign dignitary representing the United States of America (minor). In neither of these capacities is he allowed any granted authority to impose upon American State Citizens, endanger American State property, or command mercenary forces on American State soil — however veiled as federal civilian service agencies. We require the Joint Chiefs of Staff and General Ham to commence measures to disarm federal civilian agency personnel and to seize control of the vast stockpiles of arms which have been improperly amassed by —the Department of Homeland Securityl, FEMA, and other agencies employed by the UNITED STATES.

The only federal agency allowed free egress on the land of the American States is the U.S. Marshals Service, and then only when their personnel are engaged in their duty to protect the U.S. Mail and sworn to act as constitutional officers. All other federal agency personnel are limited to unarmed service until further notice.

We direct the Joint Chiefs of Staff to communicate these first two General Civil Orders directly to Mr. Obama, the members of the —US Congressl, the administrators of all —federall agencies, the members of the —Supreme Courtl and those acting as —Governorsl to compel their rapid understanding and cooperation.

Any expense or damage incurred by these organic states or any American State Citizen as a result of actions undertaken by any federal agency personnel acting as armed mercenaries on American State soil will be understood as the result of violent crimes committed against the peaceful inhabitants of the land and will incur immediate judgment liquidating the assets of the International Monetary Fund (IMF) and the Federal Reserve (FEDERAL RESERVE) in payment of the stipulated reparations. Such crimes shall also be considered contract default increasing the public debt subject to bounty.

Any and all corporate officers of the UNITED STATES or any successor organization(s) inheriting —federall service contracts who support, condone, or promote such crimes against the American States or against American State Citizens shall be subject to arrest and prosecution for commercial and violent crimes. All foreign officials operating as elected or appointed officials of the United States of America (minor) who support, condone, or promote such crimes against the American States or against American State Citizens shall be subject to arrest, confiscation of their assets, and deportation to Puerto Rico, Guam, or such other —statesl as may be willing to receive them.

Such —foreign officialsl include members of the American and British Bar Associations who were licensed to act as privateers against the interests of the American States and the American State Citizens from 1845 to 2013 in flagrant Breach of Trust. All such licenses are now extinguished. Members of the Bar Associations are required to cease and desist assaults against the American States and American State Citizens and shall be subject to arrest, confiscation, and deportation otherwise.

Inasmuch as corporate officers operating the United States of America, Incorporated, and the UNITED STATES have contrived under conditions of fraud and semantic deceit to revenue the

estates of the American States and living American State Citizens to the foreign jurisdiction of the United States of America (minor) they are found guilty of capital crimes, including acts of fraud and treason committed between 1933 and 1945, and are condemned posthumously. Insomuch as elected officials operating the United States of America (minor) have similarly committed war crimes against the American States and their peaceful inhabitants during the same time period, they stand condemned posthumously.

No enforcement upon any American State or American State Citizen is owed as a result of any —Actl of any —Congressl operating as the sovereign government of the United States of America (minor) nor as the Board of Directors or Board of Trustees of any incorporated entity whatsoever.

All those (E)states and ESTATES erroneously believed to represent the American States and American State Citizens and which were conveyed by fraud and legal deceit to the United States of America (minor) and more recently to the City-State of the United Nations, are re-venued without exception to the geographically defined American States and the American State Citizens where they shall remain in perpetuity as assets belonging to the rightful and lawful beneficiaries.

All legal fiction entities however structured and named after the American States and American State Citizens are returned to them and their control, free and clear of any debt, promise, encumbrance or obligation alleged against them as a result of false claims made —in their behalfl by officers of the United States of America, Inc. and the UNITED STATES, INC. or by any foreign officials operating the United States of America (minor), or the United Nations City State falsely claiming to —representl them or have jurisdiction over them

We note that the current circumstance is in part the result of criminal acts engaged in 150 years ago, which resulted in the commercial enslavement of African Americans who were summarily claimed as chattels backing —US governmentl debt in the wake of the Civil War. Despite every act of abolition and declaration of prohibition against both peonage and slavery, it has been the policy of the —US governmentl to enslave its citizens and to operate as a rogue state among the nations of the world. Instead of freeing African Americans the sum total result of the Civil War was to vastly expand public sector ownership of slaves, giving rise to the outrageous and improper claims that have been made against the American States and the American State Citizens that we are dealing with today. It is uniquely fitting that The Grand Army of the Republic is recalled to settle this circumstance in favor of the people.
